

MS Office Excel Basics

March 11 through 13—8:30AM to 12:00PM

I will present the first 2025 Excel class here at the TERO Training Center. Please come and join me this spring for basic instruction in Excel. You will be provided a laptop if you do not have one available. **Tribal employees are asked to bring their office laptop as it has the full MS 365 version already loaded.**

I look forward to seeing you on March 11 for the first class in the Microsoft Office skills series!
