

## OSHA-10 & Flagger Training—June 29 & 30, 2026

The TERO Technical Training Institute is offering OSHA-10 and Flagger training on Monday June 29 and Tuesday June 30. Day one will be 7-1/2 hours starting at 8:30 AM and ending at 4:00 PM. Lunch is on your own for one hour.

Day two of OSHA-10 will begin at 8:00 AM and end at 10:30 AM. Flagger training will commence immediately upon completion of OSHA-10. Flagger training will last 4 hour.

The material covered will provide basic health safety practices for the construction work environment. It includes falls, struck by, caught in-between, electrical, PPE, health hazards, hand/power tools, stairways/ladders, and other relevant topics. along with Flagger safety. These classes will benefit any worker in the construction industry.

Sign up for this class at this link or QR Code:
